

HAVE YOU EVER...

- Felt invisible or ignored when you ask APS about your child's schooling?
- Wondered where are other parents like me in Arlington?
- Wanted a community to share and support?

Bringing Student Equity to Education Now (B-SEEN) Parent Group

We are parents, family members, caregivers, and believers in the abilities of Black students and other students of color in Arlington, Virginia. We are working to ensure that **all** students are supported. Our mission is to build a more connected community for Arlington's Black and other students of color and their families and caregivers.

- We are **supporting** one another as we navigate public education in Arlington and work together for the best possible outcomes.
- We are **advocating** for policies and practices (within and outside the classroom) that enhance all aspects of public education in Arlington.
- We are **sharing** the knowledge, expertise, and networks of our members to collectively advocate for all students before decision makers in Arlington.
